2. Name of entity covered by this certification:
South Georgia Regional Information Technology Authority d/b/a SyncSouth
3. Form 499 Filer ID: 827804
4. Name of signatory: Clark Harrell
5. Title of signatory: Chairman
6. Certification:

I, Clark Harrell, certify that I am an officer of the South Georgia Regional Information Technology Authority ("SGRITA") and, acting as an agent of SGRITA, that I have personal knowledge that SGRITA has established operating procedures, summarized in the attached statement, that are adequate to ensure compliance with the Federal Communications Commission's customer proprietary network information ("CPNI") rules as set forth in Part 64, Subpart U of the of the Commission's rules, 47 C.F.R. §§ 64.2001 *et seq.*

Attached to this certification is an accompanying statement explaining how SGRITA's procedures ensure that it is in compliance with the requirements (including those mandating the adoption of CPNI procedures, training, recordkeeping, and supervisory review) set forth in section 64.2001 *et seq.* of the Commission's rules.

SGRITA has not received any customer complaints in the past calendar year concerning unauthorized release of CPNI. SGRITA does not have any material information with respect to the processes pretexters are using to attempt to access CPNI that is not already a part of the record in the Commission's CC Docket No. 96-115. SGRITA has therefore not taken any actions in the past year against data brokers, including proceedings instituted or petitions filed by SGRITA at either the Georgia Public Service Commission, any court, or at the Commission. SGRITA has established procedures to report any breaches to the FBI and United States Secret Service, and it has emphasized in its employee training the need for vigilance in identifying and reporting unusual activity in order to enable SGRITA to continue to take reasonable measures to discover and protect against pretexting and other unauthorized access to CPNI.

I hereby represent and warrant that the above certification is consistent with Section 1.17 of the Commission's rules, 47 C.F.R. § 1.17, which requires truthful and accurate statements to the Commission, and acknowledge that false statements and misrepresentations to the Commission are punishable under Title 18 of the U.S. Code and may subject a filer to enforcement actions.
